**PROFESSIONAL, WELL EDUCATED, FREQUENT TRAVELLERS**

# OUR AUDIENCE

---

53% female, aged 35 plus, well-educated.

Travel more than four times a year. UK and US top traffic sources.

Readers want to feel that they are travelling somewhere new or discovering something new about a place. They care about current events and are constantly seeking enriching life experiences and knowledge.

Our readers consume travel content voraciously but are often slightly shy online. We attract professions such as medics, civil servants, military officers and so on whose employers may insist that they do not post personally identifiable information.

WHAT READERS SAY

# READERS

"After a divorce, I lost my travel companion. In missing my adventurous me, I'm looking to open myself back up to the rest of the world that surrounds me."

"Great to read an alternate, thought provoking view but not too heavy!"

"I really enjoy your writing, and the often different slant you have on things, and the fact that what you write is obviously properly researched, and thought out."
